

Instructions for Using Marks Book

Marks Book is a DataHUB feature which allows educators to view test performance across multiple calendar years for his/her cohort.

1) Log in to [DataHUB](#) (same log-in and password as your CNAP account).

2) Click on the Marks Book icon.

3) Select one of three search options:

1) Year Level (provides all retrospective test marks for a year level)

- Select the current year level of the cohort from the drop down
- Select an Assessed Area
- Click “Search”

2) Test Category (search results by test type)

- Select the current year level of the cohort and the relevant test category
- Select an Assessed Area (optional)

3) Class (provides all retrospective test marks for a class)

- Select the relevant class in the drop-down menu. All registered classes for the current academic year are shown here.
- Select an Assessed Area (optional)
- Click “Search”

Instructions for Using Marks Book

4) Once the Marks Book in the desired format, you may wish to complete the following actions.

1. Click on the mark result to open the “Results” page which provides a breakdown of the student’s correct and incorrect answers. Teacher comments can be recorded in this section.
